

## AGS Publications and Products Licensing Opportunities

### GeriatricsCareOnline.org

The AGS offers site license subscriptions to any of the AGS products listed below. This includes organization-wide online access set up for authentication via public IP addresses or referring URL. Other authentication methods are also available, as well as access for remote users. Site license subscriptions are sold on a rolling subscription model and can begin at any time throughout the year.

The benefits of a multi-user site license subscription include ease of access and integration with your website and/or other program material. Options for licensing AGS products include a full site license to GeriatricsCareOnline.org, individual products, or a bundle of AGS products.

For more information on institutional licensing of AGS products, please email Elvy Ickowicz at [eickowicz@americangeriatrics.org](mailto:eickowicz@americangeriatrics.org).
